What is Improving Reach?

The aim of this one year pilot programme is to develop infrastructure support to enhance the access to capacity building and support for front line organisations.

Here in Dudley our programme is particularly aimed at Black and minority ethnic and disadvantaged groups including refugee community organisations.

The Improving Reach Programme will have a significant impact on the Borough of Dudley in the following ways:

- Increase capacity and confidence of targeted group to deliver effective and efficient services.
- Improved dialogue and working relationship between BME groups.
- Influence improvement in relationship with mainstream service providers.
- Improvement in the funding base and sustainability of targeted groups.
